

GLAM

BARBER CHAIR. REF. RZYW005.A12

Styling chair with enveloping design. Seat with curved sides made in a continuous block. Metal frame coated with high-density injected PU to prevent deformations over the time. Its extra-flat circular base, as well as the low position of the chair, ensure great comfort for the professional. High-quality hydraulic pump with brake. Matte black base and matching black upholstery.

DESIGN AND ERGONOMICS

Modern design chair with enveloping backrest. Extra-flat circular base.

EASY CLEANING

Seamless single-piece chair to avoids hair accumulation.

DURABILITY

Monoblock seat with metal frame. Injected PU foam to prevent eventual deformation.
